MAGIC
BATTERY PRO

Ling OS

Darion EV offers energy and cost-efficient solutions without compromising the high performance and high-functionality characteristics of an MPV.

While the 150 kW drive motor is adapted from reliable and powerful high-speed train technology, the MAGIC BATTERY PRO prioritizes safety, efficient energy management, and fast charging capability.

EV Range up to

CLTC 540 km*
WLTP 445 km*

**DC Fast
Charging CCS2**
30% - 80% battery charging
in 30 minutes

Efficient & Reliable
150 kW drive motor

Ambience of Harmony

Experience a refined ambience that blends quiet elegance with serenity

Soft Touch Interior Panel & Door Trim

Fresh and Clean Air
with PM2.5 Air Filter

Premium Synthetic Leather Seats

Electric Sunroof
